

AROUND THE ASSOCIATION

Our annual kids Xmas party was celebrated this year on Sunday, 21 December 1997. The change of venue back to the Diamond Valley Miniature Railway at Eltham was well received by the members, as the attendance was well up on previous years. Having the use of an exclusive area such as Meadmore Junction (complete with our own station) has a lot of appeal. The two x 30 minute sessions where we had our own train proved particularly popular. The man in the red suit even had his own train and actually arrived on time!!

"You'd better watch out".
