

# Membership Report 1995

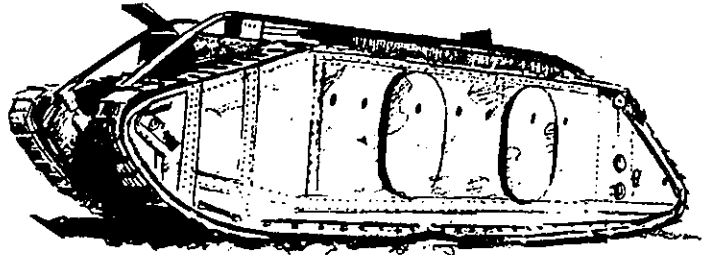

The membership of the Victorian branch is still holding over the **300 mark**.

24 new members joined the branch in 1995 but 22 members were taken off.

The death of **Ed Levy and Max Benporath** deprived the branch of a couple of staunch supporters.

The membership at the end of December 1995 was as follows:

Members	313
Financial	279
Unfinancial	4
Hon Life Members	8
Paid Life Members	22

TANK MARK IX

On closing may I remind the membership that subscriptions for **1996 are due and payable on the 1st of January.**

Please help in keeping costs down by sending in your payments prior to us sending out reminder notices.

Thank You      Godfrey Camenzuli

## Treasurer's Report 1995

Members,

It's with great pleasure to inform you that the Victorian branch is in a **great financial state**.

The surplus for 1995 was \$470.00, but if you take the \$1,312.00 absorbed by depreciation it would have given us a much better result.

Once again the **functions showed profits**, sale of goods keeps improving and donations are up on 1994. Also the majority of items under the direct control of the committee ie printing, postage etc, were held down to below 1994, as per the financial statement.

I would like to take this opportunity to thank the outgoing committee in helping me achieve another **financially rewarding year**.

Also I wish to remind the membership that 1996 is this branch's **50th Anniversary** and encourage the members to **purchase the special merchandise** designed to commemorate this milestone, and to attend any functions planned to celebrate our 50 years as an Association.

On closing I wish to acknowledge those members who kindly donated during 1995 and to the Honorary Auditor **JIM DUNSTAN** for again auditing and preparing the branch's financial statements.

Please peruse the profit and loss chart I have prepared to show you how the branch has been performing for the past 15 years.

Thank you for your attendance and attention.

Godfrey Camenzuli
