**Letter to the editor:** Peter,

**On the 10th May 1987** the former members of A Sqn (ARA) 4/19 PWLH held a reunion in the Sergeants Mess of the original B Sqn 3 Cav Regt. (Holsworthy). We agreed to consider having regular reunions possible on a 5 yearly basis. Since then of course many unit associations and reunions have been **formed and held**.

**I would like to appeal** to former members of the unit to attend this year's **Anzac Day** parade in Melbourne and to march under the 4/19 PWLH Regt., Association's banner. Last year the black hats (in total) had a **magnificent roll call** both during and after the march.

**How about the "Pony Soldiers"** boosting the numbers this year and getting together to celebrate the survival of another 10 years. The day may or may not be as exciting as the one ten years ago, but I can assure those attending (from bitter experience) will have one of the most **enjoyable days of the year**.

**Also can I put in a plug** for the 4/19th Association's dinner on the **12th April**. Come on "Ponies" let's get together again and **book a couple of tables**.

Yours faithfully, Stephen Bird
